- Dogs over six months of age are required to be spayed or neutered to join daycare.
- Dogs should not be brought to daycare when they are exhibiting signs of an illness that could infect other dogs.
- Dogs will be checked for fleas, and if fleas or other parasites are found, your dog will be removed from daycare and treated at your expense.
- Dogs must be kept on a leash or in a carrier when entering and exiting our facilities.
- Dogs who have previously harmed another person or animal are not permitted.
- Although we make every effort to prevent injury, due to the nature of group play, injuries may occur. In the event of your dog experiencing injury or illness, we will contact you for authorization to treat your pet. In emergency situations, we will provide immediate care to stabilize and make every attempt to contact you before proceeding.

- A late fee or overnight boarding fees will apply if you fail to pick your dog up by closing time.
- If you fail to give notice of cancellation for a scheduled daycare day by the end of the business day previous, you will be charged for the full day.
